Summer Camping

Refer to "General Directions for One-Minute Administration of Reading Passages."

Say these specific directions to the student:

When I say "Begin," start reading aloud at the top of this page. Read across the page (DEMONSTRATE BY POINTING). Try to read each word. If you come to a word you don't know, I will say the word for you. Read as quickly and accurately as you can, but do not read SO fast that you make mistakes. Do your best reading.

Last summer, Tony and his brother went camping	8
with their mom. They drove around the park for a	18
long time. Finally, they found the perfect campsite.	26
They decided to set up camp on a quiet spot	36
surrounded by tall trees.	40
	50
Their tent was shaped like an igloo. It was big	62
enough for the three of them. It was made of thin red	73
nylon cloth. It had a door that zipped and unzipped as	84
they went in and out. It also had three windows covered	95
with netting. There were lots of bugs in the woods. The	102
windows stopped the bugs from coming in.	112
For cooking, they had a little stove. Mom set the	123
stove at the end of a picnic table. Finally, they were	133
ready for their first picnic under the trees. They had	142
a tasty meal of barbecued chicken and boiled corn.	148
Then the boys helped clean up.	158
When it got dark, they made a fire. They toasted	166
some marshmallows, told stories, and sang songs. It	174
was nice to be together under the stars.	174
